Education

- **(Visiting Student) Tsinghua University, Shenzhen, China** *2023.08 – 2023.11*
  Visiting at the Tsinghua Shenzhen International Graduate School, advised by Prof. Qiuwei Wu
- **(Visiting Student) Jimei University, Xiamen, China** *2022.07 – 2022.10*
  Visiting at the College of Computer Engineering, advised by Prof. Zhijin Wang and Prof. Yonggang Fu.
- **(Master) College of Electronic Information, Guangxi Minzu University, Nanning, China** *2021.09 – 2024.07*
  Majoring in Electronic Information, advised by Prof. Zhenkun Lu and Prof. Qinghua Huang GPA: 4.2/5.0; Rank: 1/83
- **(Bachelor of Engineering) Chengyi University College, Jimei University, Xiamen, China** *2016.09 – 2020.07*
  Majoring in Computer Science and Technology, advised by Prof. Zhijin Wang GPA: 4.0/5.0; Rank: 1/61

Professional Service

I serve as a reviewer for a range of journals, including *Artificial Intelligence in Medicine* (JCR:Q1), *Neural Processing Letters* (CCF C, JCR:Q3), *BMC Medical Informatics and Decision Making* (JCR:Q3), *Scientific Reports* (JCR:Q2), etc.

Lead in Academic Projects

1. **Research on Prediction and Application of Complex Time Series Data** *2023 – 2024*
Innovation Project of Guangxi Graduate Education. Leader: Yaohui Huang *Lead, 10,000 RMB*

Besides, I also participate in research projects funded by NSFC, NSF of Fujian, etc.

Honors and awards

Scientific Honors

2022 **Best Special Session Paper Award in IEA/AIE 2022**

Scholarship & Fellowship

2023	**China National Scholarship for Graduate Students, Chinese Ministry of Education**	*National*
2022	**China National Scholarship for Graduate Students, Chinese Ministry of Education**	*National*
2021	The First-class Academic Scholarship of Graduate Students, Guangxi Minzu University.	*School*
2019	**Xiamen "Tan Kah Kee Foundation" Scholarship**	*City*
2018	First-class scholarship of Chengyi University College, Jimei University.	*College*
2017	First-class scholarship of Chengyi University College, Jimei University.	*College*

Academic Competition Honors

2022	The Silver Award of the 10th "Challenge Cup" Guangxi College Student Business Plan Competition.	*Provincial*
2022	The Excellence Award of 13rd "Blue Bridge Cup" International Collegiate Programming Contest. (Final Competition, Postgraduate Division)	*National*
2022	**The First Grade Award of 13rd "Blue Bridge Cup" International Collegiate Programming Contest.** (Provincial Competition, Postgraduate Division)	*Provincial*
2020	The Excellence Prize in the 2nd IKCEST "Belt and Road" International Big Data Competition.	*Top 3%*
2019	The Third Grade Award of The 10th "Blue Bridge Cup" International Collegiate Programming Contest.	*Provincial*
2018	The Excellence Prize in the IJCAI-18 Alimama Search Ads Conversion Prediction Competition.	*Top 5%*
2018	The First Grade Award of Contemporary Undergraduate Mathematical Contest in Modeling (CUMCM2018).	*Provincial*
2018	The Honorable Mention Award of Mathematical Contest In Modeling (MCM2018).	*National*
2017	The First Grade Award of Contemporary Undergraduate Mathematical Contest in Modeling (CUMCM2017).	*Provincial*

Academic Honors

2023	Excellent League Member of College of Electronic Information, Guangxi Minzu University.	*College*
2023	Excellent Party Member of College of Electronic Information, Guangxi Minzu University.	*College*
2020	**Outstanding Graduates Award of Jimei University**	*School*
2018	Merit students of Jimei University.	*School*
2018	Excellent League Cadres of Jimei University.	*School*
2017	Merit students of Jimei University.	*School*
2017	Outstanding League Cadres of Chengyi University College, Jimei University.	*School*
