Yaohui Huang (黄耀辉)

(Graduate Student)

Born: August, 1998

Address: Fuzhou, Fujian, China

Mobile: (+86) 15980565155

Email: yhhuang5212@gmail.com

English Proficiency: CET-6 (523)

Google Scholar

Areas of specialization

AI in health/healthcare; Time series forecasting; Deep learning

---

Education

2023.08-2023.11 **Visiting Students** in Tsinghua Shenzhen International Graduate School, Tsinghua University. Supervisor: Qiuwei Wu

2022.07-2022.10 **Visiting Students** in College of Computer Engineering, Jimei University. Supervisor: Zhijin Wang

2021.09-present **Master** in Electronic Information, Guangxi Minzu University. Supervisor: Zhenkun Lu

Academic Performance Rank: 1/83; Grade Point Average (GPA): 4.2/5.0.

2016.09-2020.07 **BSc** in Computer Science and Technology, Chengyi University College, Jimei University.

Academic Performance Rank: 1/61; Grade Point Average (GPA): 4.0/5.0.

Peisong, Zhang; Zhijin Wang✉; Guoqing Chao; **Yaohui Huang**; Jingwen Yan, "An Oriented Attention Model for Infectious Disease Cases Prediction ", in: *Proceedings of the 35th International Conference on Industrial, Engineering & Other Applications of Applied Intelligent Systems* (IAE/EIA 2022), 13343.

2019 3. Zhijin Wang; **Yaohui Huang**; Bingyan He; Ting Luo; Yongming Wang; Yingxian Lin✉, "TDDF: HFMD outpatients prediction based on time series decomposition and heterogenous data fusion in xiamen, china", in: *Proceedings of the 15th International Conference on Advanced Data Mining and Applications* (ADMA 2019), 2019, pp. 658 – 667 EI

Under review articles

1. Yaohui Huang, Yuan Zhao, Zhijin Wang, Xiufeng Liu, Hanjing Liu, Yonggang Fu, "Explainable District Heat Load Forecasting with Active Deep Learning", *Applied Energy*.
2. Zhijin Wang, Pesiong Zhang, Yaohui Huang, Guoqing Chao, Xijiong Xie, Yonggang Fu, "Oriented Transformer for Infectious Disease Case Prediction", *Applied Intelligence*.

Others

Invention Patents

2022 1. "A District Heating Load Forecasting Method, Device, Equipment and Storage Medium", Zhijin Wang, Peisong Zhang, **Yaohui Huang**, Yonggang Fu. Number: 202211636175.2. Chinese Patent (Pending)

2. "A Non-alcoholic Fatty Liver Disease Diagnostic Model and Its Construction Method and System", Zhijin Wang, Peisong Zhang, **Yaohui Huang**, Wen Yang, Qilin Nie, Zhirong Chen. Number: 202211381963.1. Chinese Patent (Pending)

3. "A Subclinical Atherosclerosis Diagnostic Model and Its Construction Method and System", Zhijin Wang, Peisong Zhang, Jiangde Tu, **Yaohui Huang**, Yanggang Fu, Zhirong Chen. Number: 202211368005.0. Chinese Patent (Pending)

4. "A Share Turnover Forecasting Method, Device, Equipment and Medium", Zhijin Wang, **Yaohui Huang**, Jiangde Tu, Peisong Zhang, Zhirong Chen. Number: 202211367551.2. Chinese Patent (Pending)

2020 5. "Using Fine-grained data for Hand-foot-mouth disease Forecasting Method, Electronic devices and Medium", Zhijin Wang, **Yaohui Huang**, Yonggang Fu. Number: ZL202010704454.2. Chinese Patent (Authorized)

6. "Stock Trading Data Forecasting Method, Equipment, Electronic devices and Medium", Zongyue Wang, **Yaohui Huang**, Rui Ma, Zhijin Wang. Number: 202010692574.5. Chinese Patent (Pending)

Software copyright

2022 1. "Intelligent Medical Image Remote Research Diagnosis System V1.0", Guangxi Minzu University, **Yaohui Huang**. Number: 2022SR0814283. Chinese Software Copyright (Authorized)

Project Experience

Period	Identity	Description	Contest
2022–2023	**Preside**	Innovation Project of Guangxi Graduate Education	Provincial
2021–2024	Participant	NSF of Fujian Province of China	Provincial
2021–2023	Participant	Education and Research Project of Fujian Province	Provincial
2019–2021	Main member	NSF of Fujian Province of China	Provincial
2018–2020	Participant	NSF of Fujian Province of China	Provincial

Honors and awards

Best paper award

2022 1. IEA/AIE 2022
Best Special Session Paper Award

The 35th International Conference on Industrial, Engineering & Other Applications of Applied Intelligent Systems

IEA/AIE 2022

Certificate of Award for the Best Special Session Paper

In recognition of professional excellence, the paper titled:

"An Oriented Attention Model for Infectious Disease Cases Prediction"

(Paper ID #41)

presented at The 35th International Conference on Industrial, Engineering & Other Applications of Applied Intelligent Systems (IEA/AIE 2022), held in July 19 – July 22, 2022, Kitakyushu, Japan, has been selected as the best special session paper of the conference.

The authors of this paper,

Peisong Zhang1, Zhijin Wang1,Guoqing Chao2, Yaohui Huang3, and Jingwen Yan4
1 Jimei University, Xiamen China, 2 Harbin Institute of Technology, Weihai China, 3 Guangxi University for Nationalities, Nanning China, 4 Shantou University, Shantou China

Prof. Philippe FOURNIER-VIGER,
Prof. Yinglin Wang,
Program Chairs, IEA/AIE 2022

Prof. Dr. Hamido FUJITA,
General Chair: IEA/AIE 2022
Chairman: 一般社団法人 i-SOMET Inc.

i-SOMET Springer acm SIGAI

Others

2023 1. Excellent Party Member of College of Electronic Information, Guangxi Minzu University. College
2. Excellent League Member of College of Electronic Information, Guangxi Minzu University. College
2022 3. **National scholarship for graduate students**. National
4. The Third-class Academic Scholarship of Graduate Students. School
5. The Silver Award of the 10th "Challenge Cup" Guangxi College Student Business Plan Competition. Provincial
6. The Excellence Award of 13rd LAN QIAO International Collegiate Programming Contest. (Final Competition, Postgraduate Division) National
7. The First Grade Award of 13rd LAN QIAO International Collegiate Programming Contest. (Provincial Competition, Postgraduate Division) Provincial
2021 8. The First-class Academic Scholarship of Graduate Students. School
2020 9. The Excellence Prize in the 2nd IKCEST "Belt and Road" International Big Data Competition. Top 3%
10. **Outstanding Graduates Award of Jimei University**. School
2019 11. **Xiamen "Tan Kah Kee Foundation" Scholarship.** City
12. The Third Grade Award of The 10th LAN QIAO International Collegiate Programming Provincial

		Contest.	
2018	13.	The Excellence Prize in the IJCAI-18 Alimama Search Ads Conversion Prediction Competition.	Top 5%
	14.	The First Grade Award of Contemporary Undergraduate Mathematical Contest in Modeling (CUMCM2018).	Provincial
	15.	The Honorable Mention Award of Mathematical Contest In Modeling (MCM2018).	National
	16.	Merit students of Jimei University.	School
	17.	Excellent League Cadres of Jimei University.	School
	18.	First-class scholarship of Chengyi University College, Jimei University.	College
2017	19.	The First Grade Award of Contemporary Undergraduate Mathematical Contest in Modeling (CUMCM2017).	Provincial
	20.	Merit students of Jimei University.	School
	21.	Outstanding League Cadres of Chengyi University College, Jimei University.	College
	22.	First-class scholarship of Chengyi University College, Jimei University.	College
